## Warsaw Rotarians Celebrate 100 Years

On Wednesday, February 23, Warsaw Rotary Club members met at the First United Methodist Church to celebrate Rotary International's 100th anniversary.

President, Ken Locke, commented on the unusually well-behaved members in attendance, and noted how differently local Rotarians behave when in a church instead of at the Ramada.

Locke highlighted the Warsaw club's commitment to community service since its inception in 1919.

Alan Alderfer caused a stir when he dropped a "valuable" glass bowl to be auctioned off in May to raise money for scholarships. Turns out, the bowl break was a reenactment of a prank from the club's 1st Anniversary celebration in 1920. **HERE'S TO 100 MORE YEARS!**
