District Governor Says, "Adopt an Elevator Speech"

District Governor, John Wendell, attended the July 22nd meeting of the Warsaw Rotary Club. Wendell said the theme of Rotary Clubs in District 6540 this year will be, "Service above Self." He encouraged support of the Rotary Foundation and said he is challenging each club in the district to collect \$2 per member to be used as matching funds needed for a mobile blood collection facility in Brazil.

Wendell encouraged each member to "adopt an elevator speech," to tell people what Rotary does. He said you have just a few seconds to summarize Rotary in a way that will keep people's attention and spark their interest in membership. He congratulated the Warsaw Club for its growth in membership last year and expressed his hopes that the Club would continue to strive for new members.

Cindy Hampton was presented with a poster of Michigan City, Wendell's home town, and in return Hampton presented Wendell with a gift.
